

2009 Sports Awards

On Wednesday, 18th November 2009, Toolooa State High School will host its annual sports awards evening at the Gladstone Golf Club.

Throughout the evening, students are not only rewarded for their outstanding sporting achievements at Port Curtis, Capricornia, State and National levels, but also acknowledged for their commitment and spirit while representing Toolooa in interschool sports. The night will build towards our major awards; Sports Person of the Year and Junior Sports Person of the Year.

Students will soon be selling tickets for this year's Sports Memorabilia Raffle. This raffle helps cover the costs and subsidises the ticket price for the evening.

Dinner tickets for the evening will go on sale early in November.

Due to the number of students to be congratulated on the night, seats for parents are limited to two (2) guests per family. Therefore, if your parents wish to attend the night, tickets should be purchased as soon as possible, to avoid disappointment.
