This will be my final newsletter article as principal of our school. Next term I will continue my association with Education Queensland in a regional role, coaching secondary principals to enhance student learning outcomes in their particular schools.

It has been a privilege to be in a leadership position at Toolooa State High School and to be part of a dynamic team of educators who really have a passion for working with young people and are who are just as keen to see every student succeed as a learner.

I have had a long held belief that there are three crucial ingredients in the mix for students to succeed – quality teachers, supportive parents and young people who are prepared to engage with learning. I see these qualities at our school in abundance and the quality learning outcomes for individual students and cohorts are the evidence of our focus on continuous improvement.

I would like to make special mention of our teaching and support teams at Toolooa who have assisted, joined and led key projects at our school that have all contributed to our growing reputation as a cohesive and effective team that achieves quality outcomes. There is no doubt that everyone’s involvement has contributed to our success.

Mr Garry Goltz, currently principal at Moura State High School, has been appointed as the new permanent principal. Mr Goltz has already visited our school in preparation for taking up duty on July 14. I have no doubt that under his leadership our school will continue to set a high performance standard and build our reputation as the ‘school of first choice’.

Mr Garry Goltz, currently principal at Moura State High School, has been appointed as the new permanent principal. Term 2 Week 10

This week is the last week that we will have Mr Whitfield as our school Principal. Through his hard work and leadership, Mr Whitfield has helped to guide and shape the culture of our school. While it is with sadness that we say farewell to Mr Whitfield, we wish him the very best in his new role. We would also like to welcome Mr Gary Goltz as principal. We look forward to working with him as a team to continue to build on that fabulous reputation that Toolooa has.

The school year appears to be very quickly running away from us. We are almost halfway! Year 11 and 12 reports are currently being finalised and years 7-10 reports will are due to administration the first week of term 3. The reports will provide details of academic achievement, effort and behaviour. Most students should be very proud of the progress they are making and the consistent effort that they apply. If the report doesn’t turn out to be what you or your child was hoping for, then it is never too late to turn things around. Think of the actions that are required, what is needed and start working towards the desired outcome.

This week years 10 and some year 11 and 12 students are attending the careers expo at PCYC. This is an opportunity for students to see what careers are available. Thursday sees the instrumental music tour. Toolooa’s musicians will travel to the local primary schools and entertain them with their musical talents.

Over the last few weeks we have had a few concerns around cybersafety. All students, from years 7-10 have been involved in talks to help give them the necessary skills to safely use the technology that is available to them. On Friday we had a talk from Senior Constable Lemalu. Senior Constable Lemalu outlined the consequences of the inappropriate use of technology.

Please reinforce this message at home. If you need any further information, the following website is very informative: www.cybersmart.com.au

Don’t forget that musical tickets are currently on sale from the office. It is going to be a fantastic evening. Students and staff are working very hard to ensure a very entertaining evening.

Have a safe and happy holiday. If you are travelling anywhere, please take care.

Mrs Danielle Willard

Year 7 2015 Information Session Evening
Week 2, Term 3
22nd July year 7 Information Night
5pm to 6pm—School Tour
6pm—7pm—Information Session

Scholarships open and paperwork will be available on the night

Senior Schooling News
With Natalie Jounquay

Careers Expo
All Year 10 students and some Year 12 students attended the SAIN Careers Expo on Tuesday 24th June. There were a range of exhibitors including CQU, USQ, UQ, QT, Griffith, CQ TAFE, Ergon Energy, EQIP, MRAEL and numerous others. Students were exceptionally well-mannered and polite when engaging with the exhibitors, and obtained lots of valuable information (and some freebies!).

Senior Subject Changes
Senior students who wish to change subjects need to see Ms Jounquay prior to the end of Week 3 to organise changes.

QCS Preparation
Our Year 11 OP-eligible students start preparing for the QCS test next semester. Students received a letter asking them to purchase the required textbook for $25 from the school office. This needs to occur as soon as possible for they have their textbook for next term. Year 11 OP-eligible students will sit a practice QCS test on the Thursday and Friday of Week 10 next term.
Senior Schooling News Continued
With Natalie Jounquay

Toolooa SHS subscribes to a Queensland careers newsletter. Year 11 and Year 12 students receive this newsletter to their EQ email address. Here are some of the opportunities from the most recent newsletter:

**Griffith University Music Auditions**
Applications for 2015 entry are now open for Bachelor degrees in Music, Music Technology, Popular Music, Musical Theatre, Music/Business double degree and for Certificate in Music Studies.
Prospective students must submit a music audition/folio undergraduate application by Mon 18th August.
http://www.griffith.edu.au/music/queensland-conservatorium/programs-courses/music-audition

**University of Queensland: Architectural Design Workshop**
Friday 27th June and Saturday 28th June, 9am - 4pm each day.
Students in years 8-12 can participate in a two-day workshop where they learn more about studying architecture at a tertiary level. Cost $220 per student.
http://www.eait.uq.edu.au/architecture-activities

**Bradman Scholarship**
Applications close on Sat 28th February 2015.
Each year the Bradman Foundation offers a $5,000 per annum scholarship to one Australian student commencing university. The scholarship is chosen based on a blend of academic, sporting (cricket), personal and social skills which best fulfil the purpose of the scholarship.
Contact: (02) 4862 1247 or info@bradman.com.au

**Regional Express Pilot Cadet Program**
The REX Cadet program provides pilot training over 32 weeks as well as guaranteed employment within the REX group upon satisfactory completion of the program. The pilot cadet program has three intakes throughout the year. Applications for their next intake are now open.

**Training Queensland: Fee Free Training**
Year 12 graduates will be able to access fee-free training in high priority areas from January 2014.
To be eligible for fee-free training, Year 12 graduates need to commence training in a high priority qualification with a pre-approved training provider within the calendar year following the completion of Year 12.

**JMC Academy Creative Industries Open Day**
Saturday 9th August, 10:30am or 1:30pm @ JMC Brisbane Campus.
Check out what your future could hold with JMC Academy. On the day you will take a campus tour, undertake a focused overview on your course of interest, and speak first-hand with current students and staff.

**Australian International Conservatorium of Music: ONE Scholarship Competition**
The ONE Scholarship Competition offers talented singers, musicians and composers the chance for a full scholarship to study a Bachelor of Music (Performance) at AICM worth $50,000.
To enter, students should submit an audition video of themselves performing a song.
Enteries close Sunday 22nd June.

**Working at the ABC**
A host of opportunities are available for students interested in gaining work experience within the media broadcasting sector through the ABC.
Cadetships, Scholarships and Work Experience places are on offer and all applications can be made online.

Year 10 2015-2016 Subject Selection Night

It was great to see a number of Year 10 students and their families at our recent Subject Selection Night. Choosing the right subjects for Years 11 and 12 is a very important process and should be taken seriously as it can have significant impacts upon students’ future pathways. Students need to ensure they are choosing subjects which suit their intended career direction.

Thank you to NRG

Steve Ebenestelli, Training & Development Specialist at NRG, generously agreed to speak to our non-QCS Year 12 students (and interested Year 10 students) about post-schooling employment, including what employers are looking for and how to effectively interview for a job.

Steve spoke to half of the students on Wednesday 11th June and to the other half of the students on Wednesday 18th June.

Thank you to Steve for supporting our students and our school in this way.

Assessment

It is that time of the term when senior students have a range of assessment occurring, either as exams or assignments. It is important that students are referring to their assessment calendars so they can be organised.

Nurse Natters

24th-30th June is World Continence Week.

You need good bladder habits for a healthy life. Here are some easy steps that everyone can take to keep their bladder healthy.

- Use good toilet habits. It’s normal to go to the toilet to urinate 4-8 times a day.
- Keep good bowel habits. Eat plenty of fruit and vegetables to keep regular. Do not strain to go to the toilet.
- Drink 6-8 cups of water per day.
- Look after pelvic floor muscles. This includes men.
- Seek help if you are concerned about urinating excessively, is painful or wet yourself with sneezing, coughing or lifting.

Teenage bedwetting

The medical name for wetting the bed is enuresis (pronounced: en-yuh-ree-sis). Bed wetting is fairly common among ordinary, mature and healthy teenagers with one in every 100 wetting the bed at some stage. It can be embarrassing and difficult to talk about for your teenager and can make every day social situations difficult.

While doctors and other health professionals are not always sure why bedwetting occurs, certain conditions may cause the problem. Often bedwetting has been a problem since childhood. It happens to boys more than girls. Luckily, most outgrow the problem with time and/or treatment.

What can I do?

If you, or a teenager you know, still wet the bed, it is important to seek help rather than just accept or hide the condition. Discuss your concerns with your doctor or a continence advisor as soon as possible.

Help is available.

For further information see:

- Bed Wetting in Young Adults Brochure - Provided by the Department of Health and Ageing
- Watertight Booklet - Provided by the Department of Health and Ageing

To learn more about bladder and bowel health, incontinence risk factors and treatment and management of incontinence.

2014 Athletics Carnival

The 2014 Toolooa Athletics Carnival is soon approaching. This year’s event will be held on Thursday 17th July (Week 1 Term 3) on the school oval and is a great day for all students to display their athletic prowess.

Mostly running events will be held on the day of the carnival however there will also be careport activities which encourage group participation and fun.

All field events will be held during the pre-carnival event days which will occur during week 10 of term 2 and also during week 1 of term 3. Students are able to nominate for the pre-carnival events in their form classes.

Below is the approximate event schedule for our athletics carnival. Students will line up for their events in age divisions i.e. U12, U13, U14 etc.

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>9.15am</td>
<td>Careport Tunnel Ball</td>
</tr>
<tr>
<td>10.00am</td>

<td>Presentations</td>
</tr>
</tbody>
</table>

The athletics carnival is a fun day for all and a good chance to enjoy yourself and show off your careport colours. Careport spirit and team support are also a highlight of the day. I look forward to seeing mass participation and don’t forget to get involved in everything.

Chris Hill
Sports Co-ordinator
Our Japanese Visitors

On Tuesday 12th August, Toolooa will play host to a number of student and teachers from Jonan Junior High School. Jonan Junior High is located in our sister city, Saiki, and is on the island of Kyushu in Japan.

We have enjoyed a sister city exchange program with this school for a number of years and we alternate our visits with a deputation from Gladstone visiting Saiki every second year. Saiki is similar to Gladstone in that it is a Port town and has roughly the same population as we do.

Students from two Junior High schools will join us in August, with students from Tsuruya Junior High being hosted by Tannum Sands SHS. Our Japanese friends will enjoy some specially planned activities here at school as well as venturing to Rockhampton for a tour of the Capricorn Caves. They will also have a weekend with their host families, during which they will no doubt enjoy some Gladstone hospitality, before leaving us on Monday 18th August.

Hosting a student is an excellent opportunity to learn more about a new culture and develop friendships which endure despite the distance between our two countries. If your family is interested in this opportunity and is yet to collect information from our Japanese teachers, please encourage your child to see Mrs Zagami or Ms Assman in the Communications block.

Mrs Ellen Kean
Head of Department – English and LOTE

2014 Early School Leavers Survey

The Queensland Government is conducting its annual state-wide survey of students who left school in Years 10, 11 and prior to completing Year 12 in 2013. The Early School Leavers survey is a brief, confidential survey that provides a picture of the employment, study and life choices made by Queensland school leavers in the year after they left school to understand why young people leave school early and to help early school leavers make positive career choices.

Between July and August, our students who left school in Years 10, 11 and prior to completing Year 12 last year can expect to receive instructions to complete a web-based survey or a telephone call from the Queensland Government Statistician’s Office to complete the survey. Please encourage them to take part. If their contact details have changed, please assist the interviewer with their updated details or forward the survey to their new address so they can participate. Thank you for your support of the Early School Leavers survey in 2014.

For more information visit www.education.qld.gov.au/nextstep/ or telephone toll free on 1800 068 587.

Design and Technology News

Coming to the end of the Semester our students have been working very hard to finish up projects they’ve been working on throughout the year. Congratulations to all students who have been working hard in the workshop this year to create some very practical and stylish projects. It has been pleasing to see the minimal safety and behaviour incidences we have had in the workshop this year.

This comes down to the diligent work of all students to ensure that they follow our workshop’s safety procedures at Toolooa.

Students who are wanting to experience learning at the EQIP Engineering Skills Centre at NRG; applications for the 2015 intake are now open. The authentic workplace learning program lays down the foundation for an engineering trade career.

Students have the opportunity to try various disciplines including welding, sheet metal work, lathe work and drafting on location at NRG. These experiences provide them with ‘safe practice’ practical skill development and ability to make informed career choices.

To apply for EQIP’s Engineering Skills Centre at NRG, visit their website at http://eqipgladstone.com.au/

For further information see Mr Elvery
Toolooa State High School presents a production of

Disney’s Alice in Wonderland Jr.

You are invited to attend “Alice in Wonderland” at Gladstone Entertainment Convention Centre.

Performances are as follows. This should be a wonderful night filled with fantastic costumes and Performances.

Friday Matinee for school is 11am, 1st August 2014
Friday night performance is 6.00pm, 1st August 2014
   Adults $15.00
   School age Children $7.50
Saturday night performance is 6.00pm,
   2nd August 2014
   Adults $15.00
   School age Children $7.50

Tickets are to be purchased from the office at Toolooa SHS.

Please pass onto any of your members who would be interested in attending this musical and who would like to support the arts at Toolooa SHS.

Art News—Creative Generations 2014

Creative Generation Excellence Awards in Visual Art for 2014 has now closed for submissions and we are excited to submit three of our talented Grade 11 and 12 students to this prestigious event.

Creative Generations promotes and recognises excellence in senior visual art education in all Queensland state and non-state schools, with our students being submitted to the central Queensland area.

Stay - Station’ Lacey Fontaine, Year 12

‘Anxious Minds’ Lana Lette, Year 12
IMPORTANT DATES

Registrations Open – Tuesday 10th June 2014
Registrations Close – Thursday 14th August 2014 at 8pm
Event Day – Sunday 17th August 2014

INFORMATION FOR Students/Parents

Registering

The Botanic to Bridge is a fantastic event which encourages families to embrace healthy and active lifestyles, and provides an opportunity to invest funds into our schools and community. Over the past four years, Botanic to Bridge has contributed over $100,000 into our regional schools, funding sport and recreation equipment and initiatives. Student participation ensures that funding is directed to our school. Students can register as individuals, in a team, or as part of a family registration. A family registration consists of up to five people (two adults and up to three school age children). Families with more than three children or two adults will need to register additional members individually.

Children four years and under are free. If they are not travelling in a pram they will need to be registered.

Note: When registering as a family or in a team, all members must compete in the same event, either the 3km or 8km. Family and team entries cannot be split across the two events.

Team Entries

Students and teachers can also enter as part of a team entry, be it with class mates or as part of a mixed team including family and friends.

Fundraising

The registration fee for school aged children is $10, whether entering as an individual or as part of a team. The entire $10 registration fee for children is returned to Toolooa SHS.

Parents can nominate Toolooa SHS to ensure $5 from their adult registration is returned to the school. Similarly, teachers and staff who wish their registration fee to be directed to Toolooa SHS can nominate the school in a similar way to parents. If registering as a family, it is important that each individual person nominates Toolooa SHS when registering, to ensure this payment can be directed to our school.

As we have done over the past few years, we once again are trying to add a little more encouragement to our students to enter this year’s event.

Mr Whitfield has agreed to continue the promise of two movie tickets for anyone who can beat one of our teachers: Mr Shonhan, over the line.

Now don’t let looks put you off…………he is a lot slower than he looks.

So get online at www.botanictobridge.com.au and register to compete in one of this year’s events.

Mr Hage
HOD Mathematics (and slow runner)
YOUTH & ADULT DESIGN & SEWING WORKSHOPS

YOUNG DANCERS Association presents an opportunity to work with Anastasia La Fey, a renowned costumier and designer.

The following workshops will be held at the Gladstone Regional Art Gallery & Museum:

Friday 4th July 10.00am – 12.00pm  $15.00

YOUTH WORKSHOP #1: Costume Design/Illustration Workshop - suggested age range 10 yrs +
An introduction to the principles of costume/fashion design, taking the participants through the process of designing a costume, from initial design ideas to the final piece. Participants explore what makes an effective costume design, and the tools available to a costume designer: line, colour and texture. The workshop would include practical activities and the opportunity for participants to view design portfolios and finished costumes.

Participants would be required to bring a range of drawing materials, sketch books/paper

Saturday 5th July 10.00am – 12.00pm  $15.00

YOUTH WORKSHOP #2: Creating a Simple Wire Headpiece - suggested age range 10 yrs +
An introduction to the principles of designing headwear for stage/performance. A demonstration of working with millinery wire will be given, showing all basic techniques required to create a simple wire headpiece frame and introducing embellishment and finishing techniques. Participants will design and create their own headpiece frame to complete the embellishment at home.

Participants would be required to bring pens/pencils, sketch book/paper, 3m of thin ribbon and/or braid (max 5mm) in a colour of their choice, a pair of small jewellery/craft pliers, a small bottle of clear craft glue

**MILLINERY WIRE WILL BE PROVIDED**

Friday 4th July 1.00pm – 4.30pm  $25.00

WORKSHOP #3: Sewing for Dance - *sewing experience required*
This workshop will cover the particular considerations required for costuming dance - including performance requirements, fabric choice, using (reworking) existing patterns for costume, alterations and fitting and have a particular focus on working with Stretch Materials. The workshop will include discussion, demonstrations, technique sampling by participants and be structured in a flexible manner.

Participants would be required to bring, fabrics, needles, threads, notions (ie: zips/press studs, hooks & eyes)

Saturday 5th July 1.00pm – 4.30pm  $25.00

WORKSHOP #4: Drafting a Basic Skirt Block -
This workshop is an introduction to one of the templates of all costume/fashion design. Participants will be introduced to pattern drafting - they will learn how to correctly measure the body and use their own measurements to create a personalised skirt block. They will learn how from this basic block, endless design variations can be created from the most simple straight skirt to the most complex design imagined.

Participants would be required to bring, pencils, erasers, rulers, L-Square, measuring tape, masking tape, patterndrafting/butcher paper

**To register for any of the above, please email snkeogh@aapt.net.au**

Anastasia La Fey is a costumier, couturier & collector of fine vintage garments from Victoria. With an integral philosophy rooted deep in the practice of true craftsmanship, her explorations of cloth span the realms of both art and design. With a particular interest in costume for dance, Anastasia is pleased to be costume designer for the Young Dancers’ presentation of The Magic Toyshop, and excited to share the art of costume/fashion design with regional QLD via these workshops.
