School Overview

Shaping the Future; Equity and Excellence.

Toooloola State High School is located in a provincial city on Queensland's eastern coast. The city has a vibrant lifestyle that is drawn from a positive community outlook and strong industrial and active business base. Approximately 1023 students attend in Years 7 through to Year 12 and these students are supported by 86 professional staff and 63 para-professional workers. Our purpose is to develop people who are recognised as being equipped to contribute positively to society, valuing respect, responsibility and achievement, and who participate in lifelong learning, and our vision is 'equity and excellence - shaping our future'. Students study from an extensive educational program that spans academic and vocational subjects with considerable access to work experiences while at school through off-site learning centres, school based apprenticeships and traineeships and structured work place placements. The school has an extensive welfare program that provides support and guidance for personal wellbeing and study and career options. Graduates from Toooloola State High School will graduate as great learners and great citizens with great futures.

Principal's Foreword

Introduction

School Progress towards its goals in 2017

In 2017 our clear focus on improvement for every child every day saw strong improvement for our students. Our committed team of teachers and associated support staff supported a very clear improvement agenda resulting in noteworthy improvement for our students.

School-wide Literacy Improvement:

Writing

- Strong growth in writing across the school
- Year 7: 12.9% in U2B; 90.6% above NMS
- Year 9: 19.2% in U2B; 83.4% above NMS
- 0.16 effect size gain (relative to the nation)

Reading

- Clear focus on improved explicit teaching of writing strategies across the curriculum
- Year 7: 18.5% in U2B; 97.6% above NMS
- Year 9: 17% in U2B; 95.2% above NMS
- 0.05 effect size gain (relative to the nation)
- More improvement required in the % of students in the U2B

Wellbeing

- Teaching and non-teaching staff have an understanding of the Wellbeing framework and key systems and processes that supports improved student behaviour and wellbeing
- A reduction in the percentage of students being identified as requiring targeted support
- Positive uptake of the new online notification tool (STYMIE) to address harassment/bullying

Future Outlook

2018 will comprise of two distinct elements; a consolidation period for key focus areas from 2017 along with targeted areas of improvement.

Priorities include: A quality assured curriculum, assessment and reporting plan with a consolidation of our reading and writing focus; a whole school approach to support all students' learning; wellbeing, attendance and engagement; effective pedagogical practice and readiness for the new QCE system. More specifically,

Writing

Our writing agenda in 2018 will be consolidated through a variety of processes and programs that are extremely familiar to our teachers and students. We will continue to refine them over the course of the year to ensure they are embedded in every day practice. Targets for writing are:

- Average score 'raw gain' in both 7 and 9 above national improvement
- Year 7: 90% above NMS; 15% in U2B
- Year 9: 85% above NMS; 20% in U2B

Reading

Our reading focus for 2018 is to continue with our processes that we have instilled across our school previously and refine our approach within our units of work. Targets for reading are:

- Average score 'raw gain' in both 7 and 9 above national improvement
- Year 7: 98% above NMS; 25% in U2B
- Year 9: 95% above NMS; 20% in U2B

Curriculum - A quality assured, current Curriculum, Assessment and Reporting plan that reflects the P-12 Framework which is enacted and contextualised across the school. **Assessment**: levels of achievements are based on quality assessments that address the scope and depth of the achievement standards.

Differentiation - there is a whole school approach to support all students' learning including students with a disability, G&T, EAL/D. Targets are:

- 100% of staff feel supported with differentiation (bank of strategies/simple steps). There is a shared understanding amongst teaching staff about appropriate differentiation opportunities within classrooms.
- 100% of teaching staff engage in the analysis of Know Your Class, subject specific and student specific results, so they can identify appropriate teaching strategies to continue to improve all student outcomes.

Wellbeing, Attendance and Engagement (Students and Staff)

- 90% of teaching staff will have an understanding of the Wellbeing framework and key systems and processes
- Student Attendance Total greater than 91%.
- Less than 15% of the student population below 85% attendance.
- Attendance gap between indigenous and non-indigenous students is less than 3%.
- Less than 25% of Indigenous student population below 85% attendance
- Reduction in the rate of short and long suspensions, exclusions and cancellations.
- Increase in the percentage retention from Year 10 – 12 students.
- Decrease in students identified as requiring Targeted support and/or Intensive support and intervention (<15%)
- A decrease in the incidences of low level bullying and harassment (STYMIE Notifications)
- Staff Opinion Survey: S3224 "Wellbeing of employees is a priority for my school" is >90%

Teaching Practice

- 100% of staff are actively involved in Developing Performance discussions.
- 90% of students believe teachers treat students fairly.
- 90% of students believe student behaviour is well managed at the school.
- Greater percentage of staff who believe they can embed indigenous perspectives into the curriculum.
- 100% of teachers explicitly teach appropriate student behaviours and expectations (posters in all rooms).
- 100% of teachers work collaboratively to build a strong culture of professional sharing.
- Level 1, 2 and 3: participation and completion – 85% of staff in Term 1
- Level 2: 10 pairs (20 staff) formed by the end of Term 1

SATE Readiness

- Smooth transition to the new system evidenced by ongoing success of our students.
- Parents, students and teachers feel informed and confident in the move to the new system.

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2017:	Year 7 - Year 12
Student enrolments for this school:	

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	981	464	517	103	90%
2016	1003	477	526	90	91%
2017	1004	510	494	101	90%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

Toooloa State High School is located in the industrial provincial city of Gladstone, Queensland in 2017, 1023 students attended in Year 7 through to Year 12. These students were supported by approximately 140 professional and paraprofessional staff.

Students at our school study an extensive educational program that spans academic and vocational subjects with access to work experience while at school.

Students also have access to three off-site centres of excellence that focus on apprenticeships, traineeships and successful transition to a work environment.

Our school has an extensive junior and senior wellbeing programme that provides students with support and guidance regarding study, career options and personal well-being.

Enrolments are drawn primarily from the suburbs of Kin Kora, Glen Eden and Gladstone South on the southern approaches of the city. The majority of our enrolling year 7 students transition into Toooloa State High School from our main partner schools of Kin Kora State School and Gladstone South State School. In recent years there have been increasing enrolments from a range of the private schools in the area. The demographics of the student body reflect the characteristics of the general population of the Central Queensland region. Students identifying with indigenous backgrounds represent approximately 11% of the total student body. The cultural backgrounds of the student body are diverse with an increasing number of students enrolling from interstate and international destinations as the parents are attracted to work opportunities in the local area.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3			
Year 4 – Year 6			
Year 7 – Year 10	24	24	24
Year 11 – Year 12	17	18	17

Curriculum Delivery

Our Approach to Curriculum Delivery

In addition to core subjects and disciplines, our school offers the following distinctive curriculum offerings:

Our year 7 students engage in all core subject areas and experience all elective options throughout the year.

In Year 8 and Year 9 students study six core subjects and may select one (in year 8) and two (in year 9) further elective from Information Technology Studies, Business Information Technology, Industrial Workshop Skills, Graphics and Home Economics, Arts fields – Art, Music, Dance, Drama.

In Year 10 students enter into a senior schooling timetable schedule, studying four core subjects and may select a further two elective subjects from Business, Technology or Arts subject streams. In the second semester of Year 10 students commence a 'senior phase taster program' that focuses on pre-senior subjects and transition to work programs. This particular initiative allows students greater flexibility and choice in line with their growing levels of personal responsibility for learning outcomes.

Selected Year 10 students participate in the Doorways to Civil Construction Program through links with the Queensland Minerals and Energy Academy.

Students in Year 11 and Year 12 study six subjects based on planned career pathways.

In addition, students have access to:

- selected high performance subjects, English Extension, based on academic performance
- university study through CQ University's Start University Now (SUN) Program,
- the offsite EQIP Centres of Excellence at the Engineering Skills Centre –Engineering VET Certificates,
- the Boyne Island Tannum Sands Administrative and Business Studies Centre – Business and IT VET Certificates,
- Central Queensland University – Certificate II and III courses in Automotive, Business, Hospitality, Information Technology, Beauty and Hair Dressing
- the Flexible Learning Centre – consolidation literacy and numeracy studies for students disengaging from school.

Structured work placements are a feature of Year 10, 11 and 12 classes with an emphasis placed on all students being exposed to the world of work through placements in business and industry during each year of senior schooling.

Co-curricular Activities

- Extra curricula activities
- Student Leadership
- Representative Sport at school, district, regional and state level
- Instrumental Music
- Interact Club
- The Arts Showcase
- Amnesty International
- Mathematics, Science and Robotics Competitions.
- Links to the Queensland Minerals and Energy Academy school and vacation programs.
- Science, Technology, Engineering and Mathematics Program (STEM)

How Information and Communication Technologies are used to Assist Learning

- Teachers deliver digital learning experiences in a wireless connected ICT environment in all classrooms
- For those students who do not bring laptops to school, sufficient numbers of laptops can be borrowed during class time to support students through digital learning
- Teachers develop of quality digital content and resources that enrich educational experiences and increase student engagement in learning
- Assessment tasks across curricula
- Communication with students and parents

- Reporting on student performance
- I Pads are available for students with additional needs to access the broader curriculum.

Social Climate

Overview

The social climate of our school is built around our core values of *Respect, Responsibility and Achievement*.

Toolooa State High School has a climate that is supportive of learning and learners. Students encourage each other to achieve and have an understanding that individual and collective high performance has benefits for all concerned. There is a strong emphasis on supporting each other, with great acceptance of individuals and their differences. There is a belief across our school, from both staff and students that all students are able to succeed in learning at school.

Student opinion data indicates, in line with trends from previous years, that students believe they are, 'getting a good education'. This is supported by anecdotal information from students, indicating that 'the bar has been lifted' for personal performance in learning, and that our teachers are actively and constructively supporting students who seek support to excel at learning.

Our school provides a range of support mechanisms that enhance student well-being, and access to learning. The notion of pastoral care is actively supported across the school, developed initially in form classes and supported by Wellbeing Teams of Year Level Coordinators, Guidance Officers, Psychologist, Chaplain, Youth Support Coordinator, Youth Worker, School-Based Police Officer and a School Health Nurse. Our well-being approach centres around the required support for each student and involves the DP and year coordinators working in focussed teams (year 7, 8, 9, 10, 11 and 12) along with an overarching group consisting of our non-teaching well-being professionals (outlined above) assigning appropriate team members for individual student case management.

Our growing Indigenous Education team work to develop strong with connections with our indigenous students, their families and our community. Our indigenous students make up an important 11% of our student numbers and are achieving strong outcomes as a result of the support and connections of this team.

Specific behaviours that develop our core values of *Respect, Responsibility and Achievement* are taught across our school in all year levels, supporting our students to recognize and embrace difference in our community.

It is pleasing to see that the strategies employed by our teachers and support staff are effective at supporting our students, with 94% of students reporting that they are getting a good education at Toolooa State High School.

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Our Toolooa State High School Parents and Citizens Association are an important and influential group within our school. Their feedback and guidance around decision making in our school provides a strong point of connection and, in turn, direction for our school. The P&C is an active team that provides support through fundraising and securing funds from community partners along with a parent's perspective on processes and policies within the school.

Written reports detailing student progress and achievement are provided four times each year; a formative report at the end of term 1 followed by summative reports at the end of each semester. We support the written reports with the opportunity for our parents to contact teachers to discuss their child's progress as well as formalised parent teacher interview evenings each year. These meetings and interviews provide parents with a more detailed report and feedback on student progress and allows both teachers and parents to work collaboratively to provide learning support for students.

Regular information and orientation evenings are provided for parents and students seeking entry into our junior secondary program. Subject selection information sessions are a regular feature for students entering the senior phase of learning. Since 2010 parents have assisted Year 10 – 12 students in the completion and review of Senior Education and Training Plans (SET Plans) using the online capability in OneSchool.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful, equitable and healthy relationships. Elements instrumental in the building of respectful relationships are included in a number of curriculum areas with significant focus in Health and Physical Education. Additionally, a range of targeted group programs run across the year to support the development of healthy, respectful friendships and interactions. These programs access key school support staff (guidance officers, psychologists, youth support coordinator, youth worker) along with professionals from the extended community including police.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	276	268	267
Long Suspensions – 11 to 20 days	9	9	18
Exclusions	15	12	19
Cancellations of Enrolment	10	8	7

Environmental Footprint

Reducing the school's environmental footprint

We are extremely pleased to see our electricity usage reduce in the 2016-2017. During the past four years our school has made significant attempts to reduce the consumption of electricity through awareness raising campaigns for students and staff. We are extremely proud of the way our staff have supported this focus.

The figures supplied for the consumption of water for the 2013-2014 year are obviously incorrect and as such no reasonable analysis can occur. This being said we can compare the following two years. We are continuing to develop ways to reduce water usage, however we do recognise that the environmental conditions play a role here. We continue to work with our school to develop effective systems to reduce water usage.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	507,129	7,321
2015-2016	485,206	9,325
2016-2017	169,033	7,648

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Diploma	2
Certificate	

TEACHER* QUALIFICATIONS	
Highest level of qualification	Number of classroom teachers and school leaders at the school

*Teaching staff includes School Leaders

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$61,660

The major professional development initiatives are as follows:

- Unit planning
- Development of a whole school approach to writing
- Development of a whole school approach to reading
- Developing the skills behind Explicit Instruction
- Building the Junior Secondary Program and understanding the needs of adolescent learners
- Assessment task development and alignment with unit planning
- Developing performance framework
- Leadership capability development
- Subject specific workshops
- Numeracy
- QCAA professional development focussed on specific curriculum areas along with the moderation and verification opportunities
- VET and SAS staff competency development
- New QCE system

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

Staff Attendance and Retention

Staff attendance

Description	AVERAGE STAFF ATTENDANCE (%)		
	2015	2016	2017
Staff attendance for permanent and temporary staff and school leaders.	96%	96%	96%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 94% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	89%	90%	91%
The attendance rate for Indigenous students at this school (shown as a percentage).	85%	83%	85%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Secondary schools was 90%.

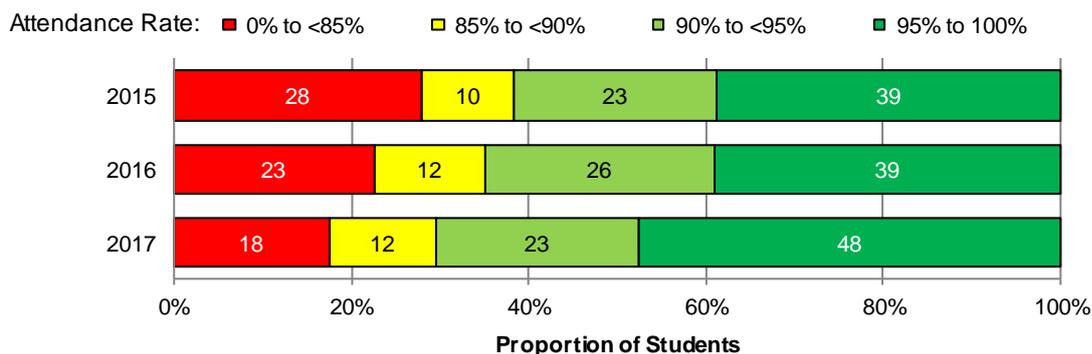

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015								92%	91%	88%	88%	86%	90%
2016								92%	89%	87%	88%	90%	92%
2017								93%	90%	89%	90%	91%	92%

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: *Managing Student Absences* and SMS-PR-036: *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

In addition: Student attendance is recorded each morning in form classes. Further attendance checks occur in each of the four lessons that occur during each day. Parents are informed by text message when their student is absent from school.

When required, Year Level Coordinators play a significant role in supporting young people to improve their attendance. This significant group of support people at our school also liaises with parents regarding persistent long-term absences from learning.

Support staff, including the Guidance Officers, Youth Support Coordinator, Youth Worker and Chaplain, provide specialised support and counselling to assist young people to return to school and engage in learning.

Additional to these processes and specialised staff, we employ an attendance officer who makes contact with parents of students that show patterns of high absence to further identify potential areas of support and methods of re-engagement. An audit of attendance is completed at the end of each term. Where required, administration staff will make contact with parents to seek an explanation of unexplained and unauthorised student absences.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Where it states '**School name**', type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the **Terms of Use** and **Privacy Policy** before being given access to the school's *profile* webpage.

School NAPLAN information is available by selecting '**NAPLAN**' in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

Year 12 Outcomes

OUTCOMES FOR OUR YEAR 12 COHORTS			
Description	2015	2016	2017

As at 3rd February 2017. The above values exclude VISA students.

OVERALL POSITION BANDS (OP)					
Number of students in each band for OP 1 - 25					
Years	OP 1-5	OP 6-10	OP 11-15	OP 16-20	OP 21-25
2015	6	10	10	7	0
2016	5	13	8	3	0
2017	15	10	13	1	0

As at 14th February 2018. The above values exclude VISA students.

VOCATIONAL EDUCATIONAL TRAINING QUALIFICATION (VET)			
Number of students awarded certificates under the Australian Qualification Framework (AQF)			
Years	Certificate I	Certificate II	Certificate III or above
2015	51	54	4
2016	48	70	3
2017	46	90	10

As at 14th February 2018. The above values exclude VISA students.

In 2017 our students accessed a range of opportunities in vocational pathways. Students accessed Certificate I and II courses at school, as part of off-site programs such as Engineering Skills Centre or linked directly with training organisations such as Central Queensland University and private RTOs. Students engage in certificate programs such as Engineering, Business, Workplace Practises, Hair and Beauty, IDMT, Childcare, Fitness, Automotive, Construction, Process Plant Operations.

Apparent Retention Rate – Year 10 to Year 12

APPARENT RETENTION RATES* YEAR 10 TO YEAR 12			
Description	2015	2016	2017
Year 12 student enrolment as a percentage of the Year 10 student cohort.	77%	84%	74%
Year 12 Indigenous student enrolment as a percentage of the Year 10 Indigenous student cohort.	83%	93%	55%

* The Years 10 to 12 Apparent Retention Rate is defined as the number of full-time students in Year 12 in any given year expressed as the percentage of those students who were in Year 10 two years previously (this may be greater than 100%).

Student Destinations

Post-school destination information

The results of the 2017 post-school destinations survey, Next Step – Student Destination Report (2017 Year 12 cohort), will be uploaded to the school's website in September.

Schools with fewer than 5 responses will not have a report available on the post-school destinations of Year 12 completers for reasons of confidentiality.

The report will be available at:

<http://www.toolooashs.eq.edu.au/Supportandresources/Formsanddocuments/Pages/Documents.aspx>

Early leavers information

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12 are described below.

In 2017 our students accessed a range of opportunities in vocational pathways. Students accessed Certificate I and II courses at school, as part of off-site programs such as Engineering Skills Centre or linked directly with training organisations such as Central Queensland University and private RTOs. Students engage in certificate programs such as Engineering, Business, Workplace Practises, Hair and Beauty, IDMT, Childcare, Fitness, Automotive, Construction, Process Plant Operations.

Conclusion

2017 proved to be a very successful year at Toolooa State High School. Our students accessed a world class education delivered by an extremely committed teaching team and supported by an equally committed support team. We continue to benefit from an active Parents and Citizens association through both financial support but as importantly, guidance on our school, our programs and our communication. Whilst we still have areas that we will continue to develop, the progress from our students reflects the expected '12 months of learning in a 12 month period' with many examples of much greater than 12 months growth achieved. We are extremely proud of the achievement of our students and the work of our staff.
