

All Queensland State School students from Prep– Year 12 can now get a special deal for Norton Security.

- The suite of products is only available for download on to personal devices, not devices connected to a school network.
- In order for students to take advantage of this offer they will require an active MIS login and school email account – the one that they use to login at school, or to access their email.
- A student who does not currently have an active school email account and password should contact their school MIS Administrator (Mrs Heath).
- MIS Administrators in schools will be able to help students activate their MIS login.

Download process

- Head to the following url:

<https://phoenix.symantec.com/DETE/index.php?offercode=qlddete14>

You will, most probably, receive the following message:

ACCESS DENIED! Select the student link

Access to this Norton offer site is restricted to students and staff of the Queensland Department of Education, Training and Employment. Please login via one of the pages below and click on the Norton offer banner.

Student | Staff

- This will take you to The Learning Place which requires an MIS email address and password. Once logged on the page should look like this:

Scroll down the page to find the link for the Norton offer. Click on this.
